

The Polaris Grocery Card Program

The easiest (no-cost) way for you to help raise money for Polaris!

THIS PROGRAM RAISES OVER \$8,000 ANNUALLY FOR POLARIS!

HERE'S HOW IT WORKS:

The school buys grocery cards at 95% of value. You buy them from the school at face value and do your shopping with money already loaded onto the card. So Polaris at Ebert gets 5%. It's that easy! We sell two types of cards - reloadable and one-time use cards to 4 area grocery stores: Safeway, King Soopers, Vitamin Cottage and Sprouts.

We sell re-loadable cards to King Soopers and Safeway, pre-loaded in the amount of \$5. These cards can be conveniently re-loaded at the checkout stand using a check, cash or credit card for any amount up to \$500 and Polaris continues to receive 5% profit from the store.

Cards are available for pickup in the school office on the 1st of each month - you'll get an e-mail reminder. Please make checks payable to "Polaris PTO" and pay at the time of pick-up. One-time use cards are delivered to the school monthly. Additional cards for gifts or special purchases are also available. Families may enter or remove themselves from this program at any time.
